Evidence-Based Medicine Session Judging Panel

The North Shore-LIJ Health System designates this **live** continuing medical education activity for a maximum of **4.25 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity. For more information or to register, please call (516) 562-1514, fax (516) 562-3710, or e-mail nbaner@nshs.edu.

PROGRAM RATIONALE

The goal of the *3rd Annual Pediatric Emergency Medicine Symposium: Advancing Quality Care in the Pediatric ED* is to increase clinicians' knowledge of the latest protocols and modalities for patients in the pediatric emergency department, including interventional therapies, decision making, and awareness of updated management strategies for these patients.

COURSE OBJECTIVES

Objective 1:

Recognize factors that influence one's decision making as a doctor.

Objective 2:

Identify and demonstrate knowledge of classic decision making errors, thus avoiding repeating those errors.

Objective 3:

Describe evidence based medicine protocols for various pathologies seen in the Pediatric Emergency Department.

Objective 4:

Describe the most important academic articles published in *Pediatric Emergency Medicine* in 2012 and 2013.

CME ACCREDITATION STATEMENT

North Shore-LIJ Health System is accredited by the Accreditation Council for Continuing Medical Education to provide Continuing Medical Education for physicians.

CREDIT DESIGNATION STATEMENT

The North Shore-LIJ Health System designates this live Continuing Medical Education activity for a maximum of **4.25 AMA PRA Category I creditsTM**. Each physician should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY STATEMENT

North Shore-LIJ Health System adheres to the ACCME's New Standards for Commercial Support. Any individuals in a position to control the content of a CME activity, including faculty, planners and managers, are required to disclose all financial relationships with commercial interests. All identified potential conflicts of interest are thoroughly vetted by North Shore-LIJ for fair balance and scientific objectivity and to ensure appropriateness of patient care recommendations.

Conference Sponsored and Coordinated by the North Shore-LIJ Health System Department of Emergency Medicine
